Thank you for completing this form which provides the Health Centre with statistics that are required by the Ministry of Health and Long-term Care. Bridges Community Health Centre (CHC) is a "Health Information Custodian" (as per The Personal Health Information Protection Act) which means that we store your Personal Health Information (PHI) in our systems. In accordance with the Act, we collect PHI directly from you or from the person acting officially on your behalf (e.g. your Substitute Decision Maker). The PHI that we collect may include your name, date of birth, Health Card Number, address, health history, records of your visits to Bridges CHC and the care that you received during those visits. Occasionally, we collect PHI about you from other sources only if we have obtained your consent or if permitted by law. Such other sources could include other health service providers working with us to provide care to you (e.g. hospitals, specialists, etc.). Staff at the Centre operate as a team to provide the best services possible to you. As such, you may deal with more than one staff member, which means that staff may need to share information to help serve you.

ALL INFORMATION IS KEPT CONFIDENTIAL WITHIN THE CENTRE AND IS USED ONLY FOR HEALTH-RELATED PURPOSES.
